

Join us in building the future of the Sacramento SPCA

Planned gifts can be a meaningful way to contribute to an area of your choice—Paws for Health, Adoptions, Spay/Neuter Services and more. Regardless of where your passion lies, the Sacramento SPCA has many options available to leave a lasting legacy. Once the decision is made, we would like to invite you to become a member of our Legacy Club.

Benefits of joining the Legacy Club

The Legacy Club was established to recognize supporters who have included the Sacramento SPCA in their estate plans through gifts of cash or securities, trusts, real estate, retirement plans, insurance, or other forms of planned gifts. We recognize this group as essential partners in our future. Membership is extended to those who make any of the following commitments:

- Include the Sacramento SPCA in their trust or will
- Establish a gift to the Sacramento SPCA, which may include future interest in real estate, a charitable remainder trust, or a charitable gift annuity
- Name the Sacramento SPCA as the beneficiary of a retirement plan or life insurance policy

Membership

As a member of the Legacy Club, you have the opportunity to create your legacy by supporting current programs as well as future generations, ensuring the long-term financial stability of the Sacramento SPCA, and inspiring others to join you.

In addition, Legacy Club members receive:

- An annual appreciation breakfast
- Invitations to Sacramento SPCA functions
- Certificate of membership signed by the Chief Executive Officer and Board of Directors President
- Quarterly e-newsletter
